

# Your Backup Care

**What if my loved one lives in another city?**

While Care.com can't guarantee a network agency in all locations throughout the country, every effort is made to meet the needs of your adult dependents, wherever they live. Providing information on location and the type of care needed in advance will help ensure the right match.

**When are caregivers available?**

Adult care is available 24/7, in either your home or the home of the adult needing care. When making arrangements, calling in advance will help to maximize your care options. For new adult care requests, an in-home assessment is conducted before starting care.
