

### Course Evaluation\*

- Class Participation
- Reflections
- Group Project
- Final Project

\*The following is a guideline, but is not definitive, of what assignments will be in this course. I am open to deciding as a class what we do. I will evaluate this. This will be your personal largely dependent on the goals of the course. I will be able to assist you in the process of learning from you. I will be able to assist you in the process of learning from you. I will be able to assist you in the process of learning from you.
