DRUG POLIC

The drug policy, in conjunction with planned educational activities and support services, is designed to achieve the following goals:

- to remind students that the Social Honor Codes, the federal laws and the laws of the Commonwealth of Pennsylvania do apply to their behavior with respect to the use of drugs;
- to stress individual accountability for those who choose to use illegal drugs;
- to maintain a Bi-College community where the harmful effects of drug use can be minimized;

nurses or physicians on either campus or from a professional off campus. If confrontation does not seem appropriate or proves ineffective, the concerned individual should turn to the drug and alcohol counselor, a counselor, the counseling director, the medical director or dean for advice on how to intervene and help. Advice may be sought without revealing the identity of the student needing help.
